

# Datensatz (Normalform)

in Zeilen: Fall/ Beobachtung  
(häufig Personen)

The diagram shows a table with four columns: ID, age, sex, and n\_FB\_friends. The rows represent individuals: Anna, Berta, Carla, and Dora. A blue arrow points from the title 'Datensatz (Normalform)' to the table. A red arrow points from the text 'in Zeilen: Fall/ Beobachtung (häufig Personen)' to the table. A green box highlights the 'age' column, and a red box highlights the 'Berta' row. A grey arrow points to the value '312' in the 'n\_FB\_friends' column for 'Carla'.

ID	age	sex	n_FB_friends
Anna	21	female	212
Berta	24	female	235
Carla	20	male	312
Dora	20	female	21435
